THESE ARE TEMPORARILY EXCEPTED SERVICE POSITIONS for which all qualified applicants, with or without Federal status may apply and may be considered. Appointment to these positions, however, will not convey permanent status in the Federal service. Appointment will only be for the duration of the position, normally 6-9 months. The Social Security Retirement System covers temporary employees and annual and sick leave will be accrued except in intermittent status. Employees are ineligible for health and life insurance coverage.

DUTIES (specific): Incumbent participates as a field crew member in a research program that includes effects of natural and anthropogenic disturbance on forested ecosystems. Field work takes place in the Oregon Coast Range and Olympic National Park, Washington. Assists in field sampling of vegetation and soils at selected study sites, includes transport of samples to Corvallis according to project protocols. Also responsible for assisting in laboratory analysis of plant and soil samples, data entry and periodic summary of data.

ADDITIONAL INFORMATION: The work involves long hours spent standing, bending, walking, and a great amount of physical exertion. The incumbent may be required to lift containers weighing up to 35 pounds in the performance of the assignment. Work could possibly be done in 10 hours per day, hours can include all times of day and night, and will vary during the employment term with weather and field conditions. Core hours will typically be 9am – 6pm.

QUALIFICATIONS: To qualify for a GG-5 you need 9 months of field survey party experience OR 3 years of sub-professional work experience OR 3 years of college with courses related to the work of the position to be filled (equivalent to 90 semester/135 quarter hrs) plus 3 months of lab or field work experience. Subprofessional experience consists of working as a technician or aid in the field or in a laboratory or similar environment. **EQUIVALENT COMBINATIONS OF SUCCESSFULLY COMPLETED EDUCATION AND EXPERIENCE ARE QUALIFYING.** Experience in rock climbing is required for some of the positions.

BASIS OF EVALUATION: All applicants will be evaluated on the basis of education and experience (including unpaid or volunteer experience). Applicants must meet all qualifications and eligibility requirements by the closing date of this announcement.

First preference in referral will be given to eligible applicants entitled to 10 point veterans preference who have a compensable service-connected disability of 10 percent or more. All other qualified applicants entitled to veterans preference will be given preference over qualified applicants not entitled to veterans preference.

ALL APPLICANTS MUST BE UNITED STATES CITIZENS: Under regulations contained in the Immigration Reform and Control Act of 1986, employment in this position is limited to those persons who are authorized to work in the United States. Verification of employment eligibility will be required at the time of appointment.

As a condition of appointment, all new employees reporting for duty with the Department of the Interior will be paid through direct deposit to a financial institution of their choice.

Applicants selected for Federal employment will be required to complete a Declaration for Federal Employment, OF-306, prior to being appointed to determine their suitability for Federal employment and to authorize a background investigation. Failure to answer all questions truthfully and completely or providing false statements on the application may be grounds for not hiring the applicant, or for firing the applicant after he/she begins work. Also he/she may be punished by fine or imprisonment (U.S. Code, Title 18, section 1001).

Prior to or at the time of appointment, male applicants born after December 31, 1959, will have to certify that they have registered with the Selective Service System in order to be appointed to a position with the United States Geological Survey, unless legally qualified for an exception.

Employees of the U.S. Geological Survey are subject to the provisions of Title 43, U.S. Code, Section 31 (a) and may not according to this legislation and related regulation: (a) have any personal or private interest, direct or indirect, in lands or mineral wealth of such lands or a region under survey and whose title is in the U.S.; (b) execute surveys or examination for private parties or corporations; or (c) have personal or private interest, direct or indirect, in any private mining or mineral enterprise doing business in the U.S. except where specifically authorized by the Director of the U.S. Geological Survey.

HOW TO APPLY: Carefully read all information and instructions. It is the responsibility of the applicant to insure the application is complete. The personnel office will not be responsible for soliciting additional information from applicants or from official personnel records, but will consider individuals based on their applications as submitted.
